PRODUCT DESCRIPTION

The CE-7 edger is ideal for sanding under cabinets and along wall lines, closets, and stair landings. Equipped with a powerful two speed motor that delivers superior performance in the most difficult sanding applications. With adjustable handles, vac ready dust control features, and powerful LED lights, the CE7 edger is perfect for the professional contractor.

RECOMMENDED PRODUCTS

AVAC dust containment systems are the perfect mix of power and portability. The 12 gallon capacity AVAC 12 is easy to transport and comes with optional H.E.P.A. filters.

Our water based TimberGuard line of floor coatings, cleaners, and sealers offers superior protection for your hardwood floors.

The FloorCrafter's superior cutting ability allows the contractor to sand the floor flat while also increasing jobsite productivity.
