

## Dri-Pod Floor Dryer

### Dry carpets and hard surfaces fast!

Dry floors fast with the highly portable Dri-Pod! A specially designed outlet grill directs warm, dry air from above and directs it in a powerful 360° pattern across the floor. Dry carpet, tile, vinyl or hardwood floors faster than ever. At only 10.6 lbs. and 15 in. across, the Dri-Pod is perfect for small spaces like closets and stairway landings, too.

### Product Features

- High velocity airflow enhances evaporation
- Unique design directs air uniformly across floor in 360°
- Lightweight and highly portable
- Stackable housing

### Product Specifications
