

# SUPER 7R Edger

## Wood Floor Sanding

- 1 Hardened steel pinion with brass drive gear reduces vibration.
- 2 Precision-balanced sanding pad produces finer finish.
- 3 Powerful 1 hp, (0.75kW), motor maintains speed under the heaviest cutting conditions.
- 4 Rotating dust pipe swivels 210 degrees to allow access to tight spaces and easily attaches to 38 mm or 50 mm vacuum hoses for improved dust containment.
- 5 Quick release dust bag that slides on and off with a simple twist and pull.
- 6 Adjustable rear casters to optimize performance.

### PRODUCT DESCRIPTION

The Super 7R is the most efficient wood floor edger in the industry. Designed for both power and durability, it has been the edger of choice for the pro contractor for over 50 years. Equipped with a quick release dust bag and the ability to attach directly to a vacuum, this edger continues to outpace the competition.

### RECOMMENDED PRODUCTS

AVAC dust containment systems are the perfect mix of power and portability. At 26 (98 L) and 12 (45 L) gallon capacities, both models are easy to transport and are available with optional H.E.P.A. filters.

The FloorCrafter's superior cutting ability allows the contractor to sand the floor flat while also increasing jobsite productivity.
